Taylor's University, Malaysia, 10 and 11 April

ICMCTC

Call for Papers

The 2025 **International Conference on Metaverse and Current Trends in Computing (ICMCTC2025)** is organized by Taylor's University and Technology Management Research Network (TMRN), in collaboration with IEEE Malaysia Section Computer Society. It will be held in hybrid mode at Taylor's University, Subang Jaya, on 10 and 11 April 2025. The conference aims to exchange knowledge and ideas on Computer Science, Communications, Cybersecurity, AI, and Metaverse. Peer-reviewed papers will be included in the ICMCTC2025 proceedings and submitted for the inclusion in IEEE Xplore, subject to its scope and quality standards.

Conference Tracks

- Metaverse
- Internet of Things
- Data Science
- Cyber Security
- Quantum Computing
- Machine Learning
- Extended Reality
- Cloud Computing

- Artificial Intelligence
- Health Informatics
- Cyber Resilience
- Business Intelligence
- Geographic Information Systems
- Blockchain
- Edge Computing

Venue

Taylor's University Lakeside Campus. A short drive from Kula Lumpur city center.

Registration Fees

Sr. No.	Category	USD
1	Student / Research Scholar	200
2	Faculty Member / Research Scientist	250
3	Industry	300
4	Co-Author / Attendee	100

*Note: IEEE Members and authors from low-income countries will receive discounts on registration fees.
